Want to stay informed about your student's grades and attendance?

Using the website ParentConnect, parents can find out on a minute-by-minute basis if their child is in class, if they have discipline referrals, and how they are performing in their course. Come to the training in the **Media Center on Wed., Sept 24 at 7pm**. We will be using the library computers to access the website.

Please visit me in the Counseling Department with any questions you have about Centennial High School. I am here to help you.
