# CREEK VIEW ELEMENTARY SCHOOL

2009-2010

## FACULTY E-MAIL & VOICEMAIL DIRECTORY

This directory is provided so that you may contact Creek View staff members via email or voice mail. Email is the preferred method of communication between parent and teacher. Please keep in mind that teachers are not expected to check their voicemail until the end of the day. You will receive a more prompt response through email. You should expect a phone call within 24 hours of leaving a message for a teacher. Please do not leave transportation changes on either voicemail or email. You must call the front office for administration contact information.
